

Success not only in the sport..... This time we do not speak of a medal or an international competition.

Luca Valdesi participated and successfully passed, the "WKF Coach License Program" held from 2 to 4 July 2013 as part of the "WKF Youth Training Camp." We can see in the picture Luca Valdesi with Antonio Espinos, WKF President, and David Benetello during the delivery of the diploma.

Luca Valdesi achieved in this way the status of "Accredited Coach WKF."
