Get a karate champion as Luca Valdesi, which for us does not need any introduction, and an Apnea champion as Gianluca Genoni, holder of the World record of apnea with electric engine and apnea in oxygen, put them together in one of the most beautiful seaside resorts of Sicily and be sure we will achieve great results.

We reach by telephone Luca Valdesi who says: "I approximated apnea after about ten years of stop and especially to have done next to a champion of this caliber. Results so far satisfy me (reached twenty-five meters NDR) but, after trying these wonderful feelings, I will always continue bringing forward my goal. I want to thanks Gianluca for guiding me with the skill of a champion

What did I tell you? Great results
